DETAILED ACTION

REJECTIONS WITHDRAWN

1. There are no rejections withdrawn.

REJECTIONS REPEATED

2. All of the 102 and 103 rejections maintained or set forth in the non-final rejection of 6/21/07, pages 2-3, paragraphs 3-5 are repeated for the reasons of record.

NEW REJECTIONS

3. There are no new rejections.

ANSWERS TO APPLICANT'S ARGUMENTS

4. Applicant's arguments of 1/24/08 have been carefully considered but are deemed unpersuasive.

Applicant has argued that Furuya discloses that each side of the aluminum foil must be coated with a synthetic resin of the same type as the thermoplastic resin consisting essentially of high density polyethylene resin having from 10 to 25% low density polyethylene and that the instant claims do not recite low density polyethylene. Moreover, the instant specification specifically states that low density polyethylene is an unsuitable polymer. However, applicant's claims as written in no way exclude low density polyethylene. Because applicant's claims do not exclude low density polyethylene Furuya is anticipatory.

Applicant argues that neither reference discloses that PET containing glycol/cyclohexanedimethanol can be used in a retort process. However, Furuya discloses that PET resins are used in a retort process (column 5, line 57 through column 6, line 2).

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
